## **WELCOME TO KAMIAH HIGH SCHOOL**

Kamiah High School is organized and administered for the purpose of helping each individual student develop to his or her greatest potential. At this school; students are encouraged to become involved in their own education and take advantage of all of the opportunities offered. It is our desire that they succeed.

This handbook is prepared for you, the parents and students of Kamiah High School, but contains a great deal of information of interest to all members of the community.

Read this handbook carefully. It should serve as a guide to the opportunities, established traditions and student regulations. The school policies listed have been approved by our Board of Trustees. However, this is by no means a complete list of procedures. Those of us who are responsible for the operation of this school believe that practicing good judgment, common sense, courtesy, and respect for others contributes to a wholesome educational environment.

Have a great year and...GO KUBS!

## **KAMIAH ATTENDANCE POLICY:**

All students are encouraged to have his/her parent/guardian call the school the day they are absent. If the parent has not called to excuse the absence, the student must provide the school with a note the day they return. If no note is provided the secretary will make contact with the parents to clear the absence.

### **EXCUSED ABSENCES**

A. Students will be excused from the school day when they are ill and/or when illness or a death in their family requires their absence. **Any verification of absences by parents must be received within one day after the student returns to school. Only parents or legal guardians may excuse a student's absence.** Any medical excuses need to be turned in prior to the end of the semester for which they pertain. Parents may request pre-arranged excused absences in advance for extended absences or important family events subject to approval by the school principal. Make-up work will be provided for classes missed. Students will be given two days for every day missed to make up work up to a maximum of 8 days, to make up work for excused absences. Any work assigned before the absence must be completed upon the student's return, and any posted or announced quizzes and tests must also be completed upon return unless other arrangements are made with the instructor. **All excused absences count toward the accumulated absences. REGULAR ATTENDANCE IS REQUIRED OF ALL STUDENTS.**

B. Kamiah School District #304 will maintain the 90% attendance policy insofar as it applies to the earning of credit.

C. Cases, as determined by the local Board of Trustees, may not grant credit to any student in the SUBJECT when the student was not in attendance at least 90% of the time. **Absence from any class for any reason**

**including illness or family convenience shall be counted when the percentage of attendance and consequent eligibility for credit is calculated.**

**After an accumulation of more than 8 (eight) absences during any semester the student may lose credit in that class.** A student whose attendance at class is less than 90% will have the opportunity to make an appeal in front of the superintendent. Parent(s) or a legal guardian should also be present. For purposes of this requirement, extraordinary circumstances shall include absences which are beyond the control of the student and parent. They generally will not be repetitive in nature.

1. The 90% attendance rule as it applies to earning credits shall be interpreted as allowing only **8 (eight)** absences per class of the same class per semester.

## Updated Attendance Policy

*October 19, 2021 kamiahweb*

### **Kamiah Joint School District No. 304**

#### **STUDENTS 3050 Attendance Policy**

Students are expected to attend all assigned classes each day. Teachers shall keep a record of absence and tardiness. Before the end of the school day, each school shall attempt to contact every parent, guardian, or custodian whose child is absent from school but who has not reported the child as absent for the school day, to determine whether the parent, guardian, or custodian is aware of the child's absence from school.

In order to graduate from the Kamiah School District, a student must complete 46 (forty-six) credits. Completion of a course at Kamiah High School will be defined as sixty percent (60%) mastery of the material and attendance to include not more than eight 8 absences per semester. A student will be allowed eight 8 absences per class, per semester. Any absence beyond that number may mean a loss of credit in those subjects missed. This attendance criterion is based on the theory that prompt and regular attendance in school is the beginning of dependability in adult business, personal, and social life. Furthermore, regular attendance is important, because valuable skills and information gained in the classroom may or may not show up on tests or be reflected in an academic grade. The general welfare of all students is best served by regular attendance.

#### Excused Absences

The following are valid excuses for absence and tardiness. Missed work assignments and activities may be made up in the manner provided by the teacher. A student shall be allowed one (1) makeup day for each day of absence.

1. Participation in school-approved activity – To be excused, this absence must be authorized by a staff member and the affected teacher(s) must be notified prior to the absence, unless it is clearly impossible to do so.

2. Absence caused by illness, health condition, or family emergency – When possible, the parent is expected to notify the school office on the morning of the absence and send a signed note of explanation with the student upon his/her return to school. “Emergency” shall be defined as unforeseen and unexpected circumstances which create an air of crisis or extreme need. Such circumstances must present a grave and clear danger which could result in irremediable harm or immediate disaster.

3. Absence for parental-approved activities – This category of absence shall be counted as excused for purposes agreed upon by the principal and the parent. An absence may not be approved if it causes a serious adverse effect on the student’s educational progress. In participation-type classes (e.g., certain music and physical education classes), the student may not be able to achieve the objectives of the unit of instruction as a result of absence from class. In such a case, a parent-approved absence would have an adverse effect on the student’s educational progress, which would ultimately be reflected in the grade for such a course. Students will be allowed a maximum of 8 pre-arranged parental-approved absences per

3050

semester. Additional requests of pre-arranged parental-approved absences will be approved on a case-by-case basis by the district superintendent.

4. Absence resulting from disciplinary actions or short-term suspension – Students who are removed from a class or classes as a disciplinary measure, or students who have been placed on short-term suspension, shall have the right to make up assignments or exams missed during time they were denied entry to the classroom.

5. Excused absence for chronic health condition – Students with a chronic health condition which interrupts regular attendance may qualify for placement in a limited attendance and participation program. The student and his/her parents shall apply to the principal or counselor, and a limited program shall be written following the advice and recommendations of the student’s medical advisor. The recommended limited program shall be approved by the Principal. Staff shall be informed of the student’s needs, though the confidentiality of medical information shall be respected at the parent’s request. Absence verified by a medical practitioner may be sufficient justification for home instruction. If a student’s absences due to chronic health conditions are impacting academic performance, the building principal may meet with parents to discuss possible alternatives to face-to-face instruction to include possible home-bound instruction, online learning, etc.

#### Unexcused Absences

Any absence not defined as excused shall be considered unexcused or truant. Procedures to address absences

1. After five (5) absences from school/class, a letter will be sent to the student’s home, indicating the school policy and the number of days missed.

2. After seven (7) absences, another letter will be sent, indicating the severity of the situation and explaining in detail the alternatives for non-compliance.

3. After going over the eighth 8th absence, the student will receive a letter stating that credit may be withheld. That student, with parental accompaniment, must appear before the Attendance Committee, consisting of the school principal, the guidance counselor, and those teachers whose classes the student has exceeded the allowable number of absences. The Attendance Committee will establish a plan and agreement for the student to regain credit based on absences. If the student fails to meet the criteria established in the plan, the student will automatically lose credit at the end of the plan. If the student and parents fail to appear before the Attendance Committee, the student will automatically lose credit.

4. Any decision to withhold credit can be appealed to the Superintendent and then to the Board.

5. The Superintendent will instruct the Clerk to inform the students' parents/guardians of the board decision.

3050

6. Students who have exceeded 8 absences in one semester in any course are ineligible to participate in extracurricular activities. This decision can be appealed to the Superintendent and then to the School Board.

7. This policy supersedes all language found in student handbooks and previously created policies.

## **TARDIES**

A student, who is not in the classroom when the tardy bell rings, and up to 10 minutes past the tardy bell, is considered tardy. **After 10 minutes** the student is **considered absent**. The following policy will be enforced:

1. Any three tardies during a nine (9) week grading period will result in detention. Each additional tardy up to and including seven (7) will result in additional time served in detention. On the eighth (8) tardy a one (1) day ISS suspension will be assigned.

## **TRUANCY**

Students who are absent without the knowledge and consent of parents or the school will be classified as truant. This classification shall also apply to any student who fails to report to an assigned class within the school day or who leaves school without authorization from his/her principal. The following rules apply: No make-up work or credit will be given for days classified as truant.

## **ADMINISTRATION OF TRUANCY POLICY**

### **1. First Truancy:**

The home will be notified immediately after the first truancy and a conference with the student will be held informing the student of his /her rights and responsibilities by the principal or his designee. Three (3) detentions assigned.

### **2. Second Truancy:**

The student will serve five (5) detentions as determined by the principal and a conference will be held between the parent/guardian, student and principal.

### **3. Third Truancy:**

A third truancy will result in a three (3) day suspension from school. When it is determined that a student be expelled for violation of the truancy policy, procedures shall be followed as outlined under Kamiah School District Policy #544, Student Expulsion/Denial of Attendance.

## **Transportation**

### **Kamiah School District**

### **Transportation Progressive Discipline Plan**

The Kamiah Joint School District No. 304 Transportation Department utilizes a progressive discipline process to ensure students and staff remain safe. The use of district transportation by students is a privilege and the right to ride may be removed if behavior of the student results in an unsafe environment or frequent discipline infractions occur. Based on the incident severity and

frequency, drivers, transportation director, and school administrators follow progressive steps to manage student behavior. The 4 steps below outline the overall process

1. Drivers are encouraged to manage students with Positive Behavior Support including positive praise and practicing student expectations.
2. If a misbehavior arises, drivers will remind students of expectations for safe behavior on the bus. A note may be sent home or a phone call made as a form of communication with the parents from the driver prior to implementation of progressive discipline.
3. Should the behavior continue, a Transportation Discipline Referral will be created and progressive disciplinary action will be taken based on severity and frequency.
4. Should the behavior be critical in nature or frequent, immediate discipline will take place including loss of riding privileges for a designated period of time. All transportation suspensions may be appealed to the District Superintendent and then to the Board of Trustees.

Progressive Discipline reasons are categorized into three groups; Minor, Moderate and Critical. Each bus incident can be different and require a different approach to maintain a safe bus environment. The progressive steps in each group provide guidance and consistency with flexibility within each step to provide students with a positive path of learning and improvement. For each group of reasons there is a defined progression of actions.

#### A - Minor Reasons

**Step 1 (1st occurrence)** - The driver will document the 1st occurrence as “minor behavior” on the driver behavior log and date the incident.

The driver will talk to the student and repeat the bus expectations to help educate the student. The driver may send a note home with the student or call parents.

**Step 2 (2nd occurrence)** - The driver will document the 2nd occurrence as “minor behavior” on the driver behavior log and date the incident.

The driver will talk to the student and repeat the bus expectations to help educate the student. The driver may send a note home with the student or call parents.

**Step 3 (3rd occurrence)** - If there is a 3rd occurrence within the same semester the driver will document the incident on the driver behavior log as “continued minor behavior” and the following progressive steps will take place.

A Transportation Discipline Referral will be completed by the driver and given to the transportation director.

The transportation director will call the parent to inform them of the incident and ask for assistance in developing an action plan of learning and improvement.

The transportation director may talk to the building administrator to discuss the most appropriate action. This may result in a meeting (in person or over the phone) between the driver, parent, student, and transportation director if appropriate to develop an action plan of learning and improvement.

**Further Occurrences** - If there are any further "minor behavior" incidents within the same semester the driver will escalate the referral type to "moderate behavior" and the progressive discipline will increase. Note: For "minor behavior" the progression of steps starts over at semester.

## **B - Moderate Reasons**

**Step 1 (1st occurrence)** - The driver will document the 1st occurrence as "moderate behavior" on the driver behavior log and date the incident.

The driver will talk to the student and repeat the bus expectations to help educate the student.

A Transportation Discipline Referral will be completed by the driver and given to the transportation director.

The transportation director may call the parent to inform them of the incident and ask for assistance in developing an action plan of learning and improvement.

The transportation director may talk to the building administrator to discuss the most appropriate action. This may result in a meeting (in person or over the phone) between the driver, parent, student, and transportation director if appropriate to develop an action plan of learning and improvement.

**Step 2 (2nd occurrence)** - The driver will document the 2nd occurrence as "moderate behavior" on the driver behavior log and date the incident.

The driver will talk to the student again and repeat the bus expectations and assign a seat in the front of the bus.

A Transportation Discipline Referral will be completed by the driver and given to the transportation director and building administrator.

A School Discipline Referral will be generated, documented into PowerSchool and the building administrator will provide the parent a copy.

A meeting (in person or over the phone) is scheduled with the parent, student, transportation director, driver and building administrator to address the concern and discuss the appropriate action.

The transportation director will call the parent and notify them that the student is removed from the bus until this meeting has occurred. The student should not be removed from the bus longer than 1 day until a meeting is scheduled.

**Step 3 (3rd occurrence)** - The driver will select the "moderate behavior" referral type.

A Transportation Discipline Referral will be completed by the driver and given to the transportation director and building administrator.

A School Discipline Referral will be generated, documented into PowerSchool and the building administrator will provide the parent a copy.

The transportation director will call the parent and notify them that the student is removed from the bus, progressive action starts at 1-5 days as determined by the transportation director.

The student and parent must have a re-admittance meeting in person with the transportation director, driver and building administrator to reinforce the bus expectations and have a contract signed by all parties that clearly defines the bus expectations and possible future consequences. The meeting will be scheduled and facilitated by the transportation director.

**Further Occurrences** - If there are any further "moderate behavior" incidents within the same year the student will be removed from district transportation for 4-8 days. Note: For moderate reasons the progression of steps will not start over at the semester. Each time a conduct referral type is completed, the action taken must be progressive from the previous action.

\*All Transportation Suspensions may be appealed to the District Superintendent and then Board of Trustees.

### **C - Critical Reasons**

All incidents that fall under the critical reasons category require immediate notification to the transportation director and school administrator. A bus conduct referral type "critical behavior" will also be completed. All actions taken must be clearly communicated to the transportation department and driver.

A Transportation Discipline Referral will be completed by the driver and given to the transportation director and building administrator.

A School Discipline Referral will be generated, documented into PowerSchool and the building administrator will provide the parent a copy.

The transportation director will call the parent and notify them that the student is removed from the bus, progressive action starts at 4-8 days as determined by the transportation director.

The student and parent must have a re-admittance meeting in person with the transportation director, driver and building administrator to reinforce the bus expectations and have a contract signed by all parties that clearly defines the bus expectations and possible future consequences. The meeting will be scheduled and facilitated by the transportation director.

**Further Occurrences** - If there are any further "critical behavior" incidents within the same year the student will be removed from district transportation until a meeting is held with the Superintendent. The Superintendent may remove the student from all district transportation for the remainder of the year. Note: For critical reasons, the progression of steps will not start over at the semester.

\*All Transportation Suspensions may be appealed to the District Superintendent and then Board of Trustees.

**Academics**

**ICU (Response to Intervention)**  
**Response to Intervention**

Response to Intervention is a program that identifies students that need an academic intervention to help with understanding material and concepts in a subject/class. The indicators can be missing assignments in a specific classroom that would normally be a check for understanding. If students are missing assignments then the student is added to the database and is required to meet with a teacher. The teacher will check in with the student and encourage the student to complete assignments or speak to the subject teacher to get additional help in completing the assignment. Kamiah High School uses a program called ICU for our RTI process.

**ICU Objectives**

Students are expected to complete assignments in classes and earn a grade for understanding of acquired knowledge and application of content obtained from a class. We recognize that some students need extra time completing assignments or catching up on work in the classroom. Students that attend the ICU process have the opportunity to be successful in completion of missing work and understanding. If students are placed into the ICU database, parents will receive email notification and possibly a phone call for each missing assignment that is entered. The notification will give the parent an opportunity to ensure that the student completes the assignment and turns in that assignment.

ICU is intended to provide students an opportunity to focus on missing work, and not accept a zero for an assignment. The teachers at KHS do not want to see students get zeroes, and will provide this opportunity for students to work on the assignment and turn it in. It is up to the teacher that assigned the work to decide if he/she will dock points for late work. All teachers will accept late work turned in by a student engaged in ICU.

**Friday School**

If a student has 5, or more, missing assignments on the ICU list, that student will be informed that he/she needs to attend Friday School (when school is typically closed) to complete all assignments that are missing without the worry of additional work being given in classes. If a student is recommended for Friday school and does not attend; the teacher that has those missing assignments will proceed to assign a zero (0) grade to all of the missing assignments and the student will not be allowed to make up that work.

**Consequences**

Students listed in the ICU database as well as being on the ICU list will be required to attend ICU at the beginning of lunch. ICU begins promptly at the start of lunch. Students will be allowed to attend lunch halfway through lunch hour. ICU will occur at 12:05pm and end at 12:20pm; followed by lunch at 12:20 until 12:31pm.

If students skip the ICU process; then that student will be given detention for the refusal to attend ICU. If the student skips detention then they will be in defiance of the detention and could receive additional detentions or an In School Suspension. If a student refuses to go to ICU a second time he/she may receive an Out Of School Suspension.

Our goal is to have students and parents be responsible for their education. Kamiah staff will give the students opportunities to be successful within the classroom with the idea that there are consequences if there is a breakdown in the process.

## **GRADUATION REQUIREMENTS**

Graduation requirements for KHS conform to and exceed regulations of the Idaho State Department of Education. The minimum graduation requirements for KHS shall be as follows:

### **KAMIAH HIGH SCHOOL GRADUATION REQUIREMENTS**

English	8 semester credits
Math	6 semester credits
Speech	1 semester credit
Health	1 semester credit
Science	6 semester credits
College and Careers	1 semester credit
U.S. History	2 semester credits
U.S. Government	2 semester credits
Economics	1 semester credit
Senior Projects	2 semester credits
Physical Education	2 semester credits
Humanities	2 semester credits
Electives	12 semester credits
<b>Total</b>	<b>46 semester credits</b>

In accordance with state requirements all seniors must take two semesters of math during their senior year.

A third year of Science is also required for graduation and for admission to Idaho's Public Colleges and Universities. ACT or SAT scores are required for admission to all academic programs. It is required that students take the ACT or SAT during the spring of their junior year to meet Idaho graduation requirements. They may retake the test the fall of their senior year in order to improve their scores if necessary.

**\*Seniors must be enrolled in a minimum of six (6) classes. Only seventh hour can be used as free non-instructional hours.**

\*Note: Senior Project is required and done through the student's Advisory.

\*1 year of math as a Senior.

## VALEDICTORIAN AND SALUTATORIAN ARE DETERMINED AFTER 7 SEMESTERS ARE COMPLETED.

### HONORS CURRICULUM /DUAL CREDIT CLASSES

These classes require more hours of study time: DC English, , Dual Credit History and DC Chemistry, Anatomy and Physiology, DC PreCalculus. DC Calculus, DC Stats, and DC Physics. Students can register in dual or concurrent courses as they come available. Advanced Placement course work is available through the Idaho Digital Learning Academy.

### SCHEDULE CHANGES

Request for schedule changes must be made before the beginning of each semester. Changes, which could not be foreseen, must be made by the **3rd** day of class in the new semester. After that time a grade will be given in the course.

### SEMESTER TEST POLICY

**ALL students are required to take semester tests / end of course assessment.**

### STATE MANDATED TESTING

KHS will comply with all testing required by the State of Idaho for graduation purposes. This will include the Idaho Standards Achievement Tests (ISAT). Other tests will be given as deemed necessary by the State of Idaho and Kamiah Schools.

### COLLEGE ADMISSION/ PLANNING/ SCHOLARSHIP/ TESTING

College admissions differ from the mandated high school graduation requirements in that four-year academic schools will require three years of math (Algebra I and up) and three years of science. It is strongly suggested in the State of Idaho that a foreign language be taken for admission and is required in some other states.

\*\*\*\*College applications may be obtained through the guidance office, or by contacting the school you plan to attend. Application on line is a quick and efficient way to apply, and some colleges may give a reduced application fee if completed on line. **Also, check the priority deadlines for your college.**

### GRADING SYSTEM

Each school year is divided into two semesters which consist of two quarters per semester as set by the school board and administration. Grading is completed as follows with pluses “+” or minuses “-“ added to the letter grade:

A	90-100%	Superior
B	80-89%	Above Average
C	70-79%	Average
D	60-69%	Below Average

\*I = Incomplete: The letter “I” will indicate incomplete work by the student. A student will have ten (10) school days from the issuance of report cards to make up an incomplete grade. Failure to complete all work will result in the issuance of an “F” grade for the incomplete. It is the student’s responsibility to clear up the incomplete with his/her instructor. Kamiah High School uses the Power School student information system. Parents and their student(s) will have access to grades and attendance through the school’s web page. Passwords will be sent out at the beginning of the year. Report cards will be sent home following each nine week grading period. Progress reports will be sent out at parental request only.

Adaptations are made in compliance with the State of Idaho in reference to the grading of special education students.

**HONOR ROLL**

Honor roll will be calculated and published in the local newspaper(s). Honor roll cut-offs are as follows:

All A’s	4.0
High Honor Roll	3.5 - 3.9
Honor Roll	3.0 - 3.4

**COLLEGE PLUS DUAL CREDIT PLAN**

**Kamiah Joint School District College Plus Dual Credit Plan**

Idaho Advanced Opportunity programs provide students an opportunity to enroll in college courses during high school and earn high school and college credit concurrently. Students can complete some or all of their general education requirements for their bachelor's degree around the time they graduate from high school, and some are able to complete an Associates Degree. That, combined with the remarkably cheap price tag for these courses (double digits as opposed to triple or quadruple digits) means these students have the potential to significantly reduce the cost of a typical 4-year degree.

Dual enrollment courses give students access to resources most don’t have at a high school. Because they’re actually enrolled in college, dual enrollment students have access to their professor’s office hours, the college library, research databases, and any other resources that a college typically provides.

Our small high school has an impressive offering of math, science, English, and other classes like music or shop. But even our local college (Lewis-Clark State College) offers a much broader array of classes to choose from. Opening these classes to our students enables them to explore different possible majors/careers while still in high school, saving both time and money.

Kamiah High School (KHS) is currently partnering with local colleges to further expand our dual-credit offerings by making some college courses available online or on site. In addition to the dual-credit courses offered at KHS, and the dual-credit offerings through the Idaho Digital Learning Alliance (IDLA), on-campus and/or online courses provide variety and quality for a select number

of prepared and motivated students. This program will require students to work either directly with these colleges through on-line courses or travel to participate in on-campus courses.

### **Student Status and Requirements to Complete HS while off campus**

1. Students must meet the graduation requirements set by KJSD. If students engage off-campus (online or physically at a college campus) prior to their seventh semester, *students will remain eligible for Valedictorian and Salutatorian honors if all requirements are met.*
2. This program is designed for students entering their senior year however younger students may participate if they are at least 16 years of age. All students (or students' families) will be responsible for their own transportation, and have a signed parent liability waiver on file. Students can attend college classes online from a location off KHS campus or attend face-to-face classes at the college.
3. Students must have a cumulative 3.0 GPA, pass all core classes taken to date, and be on-time or accelerated to take classes off campus. These classes will be transcribed as Dual Credit classes provided the college/student provides KHS with appropriate documentation.
4. Students must meet the state requirement of 5 credits per semester. Each off campus class would constitute 1 credit per semester transcribed to a Dual Credit KHS class. Students will need to meet with the counselor to ensure that all requirements are being met for graduation. NOTE: if students test out of English 101; the student will receive 1 English credit for their Senior Year. Students will need to complete English 102 to meet state requirements for graduation.
5. Students who desire to participate in student government at Kamiah High School should plan to spend a minimum of 5 class periods physically at KHS daily, as being involved in the student body leadership requires time, energy, and familiarity with the issues of the day.
6. Students must provide KJSD an official transcript, sent to the counselor **each semester**, for the class to be transcribed as dual credit.
7. In addition to the above, students must:
  - a) Complete the admissions process to the college where classes will be taken, be accepted into that college program, and provide proof of acceptance to the guidance counselor no later than October 1st (for students who plan to start in Spring Semester) or March 1st (for students who plan to start in Fall Semester).
  - b) Complete and keep up to date each semester an application package detailing their involvement in the program. This package will include (at a minimum):
    - i) An updated 4-year plan to ensure students will meet graduation requirements.
    - ii) A semester schedule that includes proposed classes to be taken at Kamiah HS, classes to be taken on a college campus, and classes to be completed online. The schedule must include any school-sponsored activities and include appropriate transportation times to/from Kamiah HS.
    - iii) Parental waiver for long-distance transportation during scheduled school hours.

iv) Final (or anticipated) grades for any off-campus classes completed in the prior term (official transcripts must be submitted before classes can be transcribed).

c) Students must inform Kamiah High School counselors of their class schedule prior to school starting. If a student drops a class from the college or university, the student must inform the counselor immediately to ensure the student remains on track for graduation.

8. Students can make arrangements to complete Senior Project class requirements online to accommodate class scheduling offsite to ensure that KJSD requirements are met for graduation.

9. Students who do not meet these minimum requirements may request a waiver from Kamiah High School/Kamiah Joint School District Administration.

10. Idaho's Fast Forward program allocates \$4125.00 per student. If those funds are depleted, then the cost for the classes will be the responsibility of students and their families at the same rate (currently \$75 per college credit). Fast Forward monies will not be available to be used for repeated classes. The program may also require the student and their families to reimburse the fund for failed classes, and/or to cover drop or withdrawal fees.

11. In order to maintain the quality and viability of this advanced opportunity program, students wishing to participate must secure approval from the Kamiah Joint School Board of Trustees.

## **TEXTBOOK USAGE**

Repeated offenses may result in loss of credit for the course.

## **DISCIPLINE**

Students of Kamiah Joint School District No. 304 are expected to conduct themselves in such a manner so as not to interfere with the orderly operation of the educational program, and are expected to obey the reasonable requests and directives of teachers and other adults authorized by the district. Kamiah High School will use a system of discipline that can range from issuing simple detention to expulsion from the educational system. Consequences can and will be progressive in nature and each repeated offense will result in more severe sanctions. Repeated offenses in any one category, or combination of categories, will result in more severe sanctions.

## **NOTES**

1. Suspension/Expulsion: Any student who is suspended/expelled is not allowed to come on school property at any time (24 hours/day, 7 days/week).
2. The length of suspension is at the discretion of the building Principal. The Superintendent or School Board may also extend the days of suspension assigned by the principal (or designee).

6. Length of expulsion will be determined by the Board of Trustees based on a recommendation made by the building principal.

## **CO-CURRICULAR ACTIVITIES AND ATHLETICS**

**Participation in any co-curricular activity is a privilege, not a right.** Student leaders, which include student body officers, class officers, cheerleaders and those students participating in co-curricular activities are expected to set a positive example for the rest of the student body. Rules violations will be handled as per the guidelines set by the Athletic/Activities policy.

\*\*\*Injuries must be immediately reported and documented on the School Accident Report and given to the building administrator.

## **TRANSPORTATION TO AND FROM SCHOOL EVENTS**

The district will provide transportation to all school-sponsored activities scheduled outside Kamiah Joint School District #304. All student participants are required to ride the bus to and from these scheduled events. Students on such trips are required to comply with the rules and regulations governing daily school transportation.

## Mandatory Drug / Alcohol / Nicotine Testing

Kamahia School District conducts a mandatory drug-testing program for students who participate in athletic activities, grades seven through twelve. Its purpose is threefold: (1) to provide for the health and safety of all students who participate in athletic activities; (2) to undermine the effects of peer pressure by providing a legitimate reason for students to refuse to use illegal drugs or misuse of prescription drugs; and (3) to encourage students who use drugs to participate in receiving an assessment from a State certificated substance abuse counselor, of which all costs will be the responsibility of the parent or legal guardian. All students participating in athletic activities who test positive will have the custodial parent or legal guardian notified so he/she can obtain an assessment from a state certificated substance abuse counselor and follow the recommended program completely. All costs associated with the assessment and the recommended programs are the responsibility of the parent or legal guardian. This policy is in effect from the first day of fall practice and ends after arriving home from the last event in the spring. Students are responsible to abide by the provisions of this policy from the first practice date, as established by the IHSAA to the end of the athletic season. Seasons and activity programs may overlap.
